

“DOC FINN” Fly-In

Litchfield, IL Airport (3LF)

Saturday, May 20, 2006

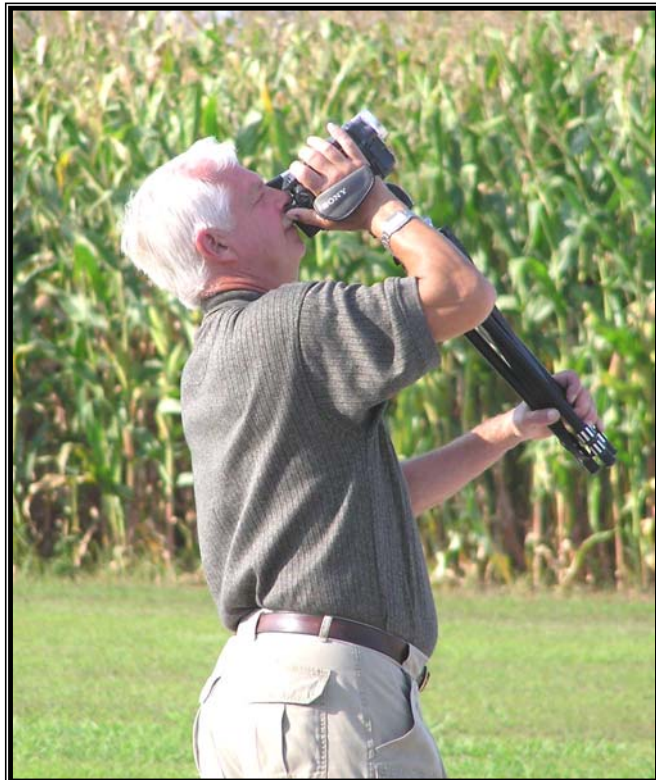

In tribute to our good friend Bill Finnegan (“Staunton Illinois”), the St. Louis Rotorcraft Club, Popular Rotorcraft Association (PRA) Chapter 35, in conjunction with the Litchfield Airport, invites all of Bill’s friend’s, family and fellow flying enthusiasts to attend this celebration of Bill’s passion and dreams of flight. Bring your flying machine or “Fly In”! This will be a flying event like Bill loved so much!

The Litchfield airport is located on I-55, about one hour drive south of Springfield, IL and about 45 minutes north of St. Louis. If you are able, please bring a lawn chair and perhaps a small pot luck dish. Refreshments and food will be provided. Please ask Bill for good weather!

Camping space is available on the field.

For more information, contact Greg Gremminger, 573-883-3541, or gyrogreg@LDD.net.

Please let us know if you will be attending so that we may plan for food and facilities.

Lodging reservations close to the Litchfield airport are available at:

Hampton Inn	(217) 324-4441
Holiday Express	(217) 324-4556
Best Value Inn.....	(217) 324-2181
